## Tennessee Child Care Provider Training **FREE TRAINING HOURS**

The Department of Human Services is using your licensing fees to fund free training coordinated through the Child Care Resource Centers.

### **TRAINING TOPICS:**

- ❑ Administration
- ❑ Child Development
- ❑ Early Childhood Education
- ❑ Health and Safety
- ❑ Developmentally Appropriate Behavior Management

- ❖ Training available throughout the year - days, evenings, or Saturdays.
- ❖ Meets the DHS required training needs of administrators and center, family, and school-aged child care providers

### Variety of Formats and Times:

- ❑ **Series** - In-depth studies of each training area offered through several class sessions.
- ❑ **Workshops** - In-depth studies of one topic in one and one-half to eight-hour blocks.
- ❑ **Self Study** - Provides up to eight hours of individualized training.
- ❑ **Web-based learning** - Provides a self-paced, structured training experience.
